

Plumbing Service Agreement

Why should I have a service agreement?

- Annual check of your plumbing system
- 15% discount on labor and materials, should any work be recommended by our professional technicians
- Priority emergency service, should any work be required during the agreement dates
- Peace of mind knowing your system is operating safely and efficiently

Once a year we will:

- 1 Dye test all toilets for leaks
- 2 Check all faucets for leaks
- 3 Check all exposed hot & cold water supply lines
- 4 Check all sink piping
- 5 Check all fixture drains
- 6 Check washing machine hoses
- 7 Check all lawn faucets for leaks
- 8 Check and tag all emergency shut offs and water shut off valves
- 9 Treat all drains with Thrift drain cleaner, providing longer life to your drainage system & remove organic build up
- 10 Check water system for leaks & notify customer (Check at city water meter or running of pump)

Gas Hot Water Heater

- 1 Check and clean main burner and pilot
- 2 Inspect flue pipe
- 3 Check for proper vent draft
- 4 Check for gas water leaks
- 5 Check operation of emergency cutoff
- 6 Check temperature and pressure safety relief valve
- 7 Check drain valve operation

Electric Hot Water Heater

- 1 Check operation of elements
- 2 Check thermostat operation
- 3 Check condition of wiring
- 4 Check for water leaks
- 5 Check operation of emergency cutoff
- 6 Check temperature and pressure safety relief valve
- 7 Check drain valve operation
